# California College Guidance Initiative

## Who We Are

- ▶ **Manager of CaliforniaColleges.edu**, the State of California's official college and career planning platform.
- ▶ A **legislatively-authorized** service provider to all California school districts ([California Education Code 60900.5](#)).
- ▶ A crucial component of **California's Cradle-to-Career Data System**, as established by AB 132.

## Who We Are Not

- ▶ A vendor.
- ▶ A grant-funded program.

# Our Role in the Cradle-to-Career Data System

## CaliforniaColleges.edu is a crucial component of the C2C Data System.

In 2021, the enactment of AB 132 outlined specific steps in order to implement the Cradle-to-Career (C2C) Data System and realize its objectives, including:

- ▶ Making CaliforniaColleges.edu tools and services **free to all California school districts serving 6-12th grade students**, with a goal of full participation by 2026.
- ▶ Designating CaliforniaColleges.edu as the **preferred starting point for all applications to California public colleges (CCC, CSU, UC), FAFSA, and CADAA.**

Visit the Cradle-to-Career Website

"It's on us to make it easy for students to navigate education and job choices.

The Cradle-to-Career system provides the data and support infrastructure that will make it possible for every California student to thrive."

— Governor Gavin Newsom

# CCGI Partner Districts

**More than 70% of California's high school students are enrolled in a school district that has already partnered with CCGI.**

- ▶ Our Partner Districts include more than **250 school districts** that serve more than **1.3 million 9th-12th grade students** in California.
- ▶ California Education Code 60900(f)(3) now requires that all LEAs that enroll 9-12 grade students enter into a data sharing agreement with CCGI by **January 2026**.

▼ See who our Partner Districts are ▼

We provide students with:

Career Exploration

College and Major Search

CSU and UC Eligibility Tools

Financial Aid Lessons

College and Financial Aid  
Application Integrations

We provide educators with:

Data Alignment Support

A-G Progress Monitoring

College and Financial Aid  
Application Tracking

Reporting Tools  
to Support Timely and  
Intentional Intervention

# Career Assessments

**Our Career Assessments can help students identify their values, interests, learning styles, and personalities and learn how they can connect to fulfilling careers.**

**Our assessments include:**

- ▶ Interest Profiler (All Students)
- ▶ Learning & Productivity (Middle School Students)
- ▶ Intelligences (High School Students)
- ▶ Personality (High School Students)
- ▶ Skills (High School Students)
- ▶ Work Values Survey (High School Students)

# Career Exploration

**Our Career Search Tool helps students find the right career path by figuring out what they want to be and what it will take for them to get there.**

CaliforniaColleges.edu allows students to:

- ▶ Explore careers that match their interests.
- ▶ See what kind of pay and growth potential jobs offer.
- ▶ Tie career assessment results to career pathways, majors, and colleges.
- ▶ Understand what education and skills they will need to pursue their career of choice.

The screenshot shows the 'Career Search Tool' interface. At the top, a dark header contains the title 'Career Search Tool' and a brief description: 'Explore careers that match your interests. Find careers by using the keyword search or the Industry and Bright Outlook filters. To learn more about our career data, see [College, Major, and Career Data Sources](#).' Below the header, there are three search sections. The first section has a text input field with 'Scientist' and a blue 'Search' button. The second section has a dropdown menu labeled 'Select Industry' and a blue 'Search' button. The third section has a dropdown menu labeled 'Select Bright Outlook Occupation' and a blue 'Search' button. At the bottom left, it says 'Results 179' with a small 'Compare' button and an information icon. At the bottom right, there is a large dark 'Compare' button.

# College and Major Search Tools

**Our College and Major Search Tools allow students to find what majors will help them achieve their career goals and what colleges best meet their needs.**

Our **Major Search Tool** allows students to discover programs and majors that interest them, learn more about what they involve, and find colleges that offer them.

Our **College Search Tool** helps students find the best colleges in California and across the country, based on the factors that matter most to them.

The screenshot shows the 'Major Search Tool' interface. At the top, it says 'Major Search Tool' and provides instructions: 'Use this tool to search for programs and majors that interest you. You can view a list of colleges that offer the program or major by clicking "View Colleges". To learn more about our major data, see [College, Major, and Career Data Sources](#).' Below this is a search bar with a magnifying glass icon on the left and an 'X' icon on the right. The text inside the search bar is 'Search by Program'. Below the search bar, it says 'Enter two or more letters to begin looking up programs and majors.' Below the search bar is a 'Results' section. At the bottom of the interface, there are links for 'Contact us', 'Privacy Policy', and 'Terms of Use'. The footer includes the California Colleges.edu logo, the California State Seal, and logos for 'Managed by California College Guidance Initiative' and 'Powered by maialearning'.

# Unique Tools for California

**CaliforniaColleges.edu provides tools to help students and districts meet California-specific requirements**

- ▶ We have integrations with all three of California's public higher education systems (CCC, CSU, UC) and the California Student Aid Commission (CSAC).

**Students in Partner Districts see a list of the 5 CCCs closest to their school, with easy links to learn more about each campus and transfer options.**

The Academic Planner contains your completed and enrolled coursework as reported by your school. Be sure to review the classes already in your planner and add any others you need and/or want to take during your high school career.

Academic Planner **CCCs** CSU Eligibility UC Eligibility CSU Application Info UC Application Info 

There are lots of great reasons to attend a California Community College (CCC). A CCC may be the best fit for you if:

- You need an **associate degree or certificate** for the career you want.
- You want to **start your career sooner**. Associate degree programs usually take two years. Certificate programs take even less time.
- You want to **prepare to transfer** to a four-year college.
- You want to **spend less money** on college tuition. CCCs have the lowest fees in the nation.
- You want to **stay close to home**. With 115 campuses across California, there is probably a CCC close to you.
- You need **flexible classes** in the evening, on weekends, or online so you can fit college into your life.
- You want to **get a head start on earning college credit** while you're still in high school.

**Requirements**

To attend a CCC, all you have to do is fill out an application and pay any required fees. You don't have to complete A-G requirements or take any special classes.

Learn more about the [Benefits of California Community Colleges](#).

**Transfer Options**

You can start at a CCC and transfer to a CSU, UC, or independent college after two years. Complete one of the programs below at your CCC to secure your spot.

- The **Associate Degree for Transfer (ADT)** guarantees you a spot at a CSU or an independent college.
- The **Transfer Admission Guarantee (TAG)** program guarantees you a spot at one of six UCs.

Learn more about [Transferring Schools](#).

**Five Closest CCCs to Your School**

<a href="#">Ventura College</a>	2.14 miles
<a href="#">Oxnard College</a>	10 miles
<a href="#">Moorpark College</a>	24.81 miles
<a href="#">Santa Barbara City College</a>	26.11 miles
<a href="#">Los Angeles Pierce College</a>	40.14 miles

[View All CCCs](#)

**How to Apply**

Nearly all CCCs use CCCApply for online applications. When you're ready, learn how to [launch CCCApply from your CaliforniaColleges.edu account](#).

[Launch CCCApply Now](#)

# CSU and UC Eligibility Tools for Students

Students in Partner Districts can use CSU and UC Eligibility Tools to continuously progress monitor their GPA and “a-g” eligibility.

The screenshot displays the California Colleges.edu Educator Dashboard. At the top, there is a navigation bar with the logo and the text "Educator Dashboard College Career Financial Aid". Below this, a section titled "Academic Plan: CCC Demo" includes a link to "Back to Expert Management" and a description: "Keep track of your completed classes, grades earned, and also plan for high school classes using your Academic Plan." A horizontal menu below this section contains links: "Academic Planner", "My College Plan", "My Career Plan", "My Financial Aid Plan", "My Goals", "My Journal", "My Experiences", and "My Documents". The "Academic Planner" link is highlighted. Below the menu, a paragraph explains that CSU uses three factors to determine eligibility: graduation from high school, completion of "a-g" courses, and test scores on college entrance exams. A secondary navigation bar includes links for "Academic Planner", "California Community Colleges", "CSU Eligibility" (which is highlighted), "UC Eligibility", and "CSU Application Info", along with a "Back to Academic Planner" button. The main content area is divided into two panels. The left panel, titled "CSU GPA", shows a large green circle with the number "3.35" and text stating that the user is currently meeting the minimum GPA requirement of 2.0 or above, with a note about "a-g" coursework submitted by the school district. The right panel, titled "Your 'a-g' Progress for CSU", features a red target icon and text indicating that the user is missing one year of "a-g" courses and is not making progress toward completing recommended courses in specific subject areas (B, D, E, F).

CSU GPA

You are currently meeting the minimum GPA requirement of 2.0 or above. Your CSU GPA reflects "a-g" coursework submitted by your school district completed in 10th, 11th, and 12th grades, including the summers following 9th, 10th, and 11th grades.

Courses that have UC Honors Approved under the title

Your "a-g" Progress for CSU

Based upon successful completion of coursework this term, for your grade level, you are missing the following number of years of "a-g" courses: 1

You appear to not be making progress toward completing courses recommended for your grade level in the following subject areas: B, D, E, F

# Transcript-Informed Accounts on CaliforniaColleges.edu

CALIFORNIA  
COLLEGES *.edu*

The Official College & Career Planning  
Platform of the State of California

# Partnership With CCGI

**Partner Districts have a formal data-sharing agreement (MOU) with CCGI in order to bring their high school transcript data to CaliforniaColleges.edu.**

Unique features for Partner Districts include:

- ▶ **A-G Alignment Support** for districts to ensure that students get correct “a-g” credit for high school courses and grades in their college applications.
- ▶ **CSU and UC Eligibility Tools** that allow students to see their progress towards meeting the minimum requirements for admission to a CSU and UC.
- ▶ The ability to **import verified transcript data** to their Cal State Apply application and UC Application (beginning Fall 2024).

# The Course Management Portal

**The Course Management Portal (CMP) is where all California districts and/or their schools manage their public-facing “A-G Course List”**

- ▶ Every school that serves high school students in California needs to submit courses to the CMP for review and approval by UC, if that course is to appear on the school’s A-G Course List.
- ▶ The CMP course list is what determines which courses fulfill an “A-G” subject area for the purpose of CSU and UC admissions processes

# What is A-G Misalignment?

**A-G mismatch occurs when the way a course is listed in a district's Student Information System (SIS) doesn't align with the way it is listed in the CMP.**

# What A-G Misalignment Looks Like

**CMP Misalignment inhibits successful electronic data transmission and may prevent CSU and UC campuses from recognizing A-G approved coursework.**

In SIS	In CMP
Transcript Abbreviation: <b>Wrld Hist</b> Local Course Code: <b>30125</b>	Transcript Abbreviation: <b>World History</b> Local Course Code: [None Listed]
Transcript Abbreviations: <b>Algebra 2A and Algebra 2B</b> Local Course Codes: <b>100451 and 100452</b>	Transcript Abbreviation: <b>Algebra II</b> Local Course Code: <b>1004</b>
Transcript Abbreviation: <b>English II</b> Local Course Code: <b>4538ENGL</b>	Transcript Abbreviation: <b>English II/4538ENGL</b> Local Course Code: [None Listed]

# A-G Alignment Support

## CCGI provides technical assistance help LEAs ensure that courses indicated as fulfilling A-G requirements match the Course Management Portal

- ▶ California Education Code 60900(g) requires that LEAs maintain at least a 90% rate of alignment between A-G coursework, as listed in the local SIS, and how those courses are registered in the UC Course Management Portal A-G course list.
- ▶ CCGI has a dedicated Technical Assistance team to support districts in improving their CMP match rate
- ▶ CaliforniaColleges.edu reporting features help educators identify and resolve issues with their CMP list that may impact eligibility for students:
  - Academic Report: **Which district courses are flagged as “A-G” but do not match against the CMP?**

# Verifying Courses Against the CMP

CaliforniaColleges.edu matches the course grade records provided by school districts against the school's A-G list in the Course Management Portal (CMP).

- ▶ CaliforniaColleges.edu uses the official CMP course list for each school to **verify the transcript data** shared by districts.
- ▶ Verification of data provided from the SIS against the CMP informs how coursework visualizes for students in the CSU and UC eligibility tools, as well how and which courses students can import directly into their CSU and UC applications.

CALIFORNIA  
COLLEGES.edu  
DISCOVER. PLAN. LAUNCH.

# Cal State Apply Course Import

CALIFORNIA  
COLLEGES.edu  
DISCOVER. PLAN. LAUNCH.

# CaliforniaColleges.edu Course Import

What It Does	What It Does NOT Do
<b>Saves time:</b> Can <u>significantly reduce</u> the time required to complete CSU and UC applications.	It does <b>NOT</b> replace the need to review all course records for accuracy prior to application submission.
<b>Reduces errors:</b> Verifies high school course records against the CMP and pre-populates that information into Cal State Apply and UC applications.	
<b>Supports intentional review:</b> Allows counselors and college access staff to identify and focus time and energy on students records that are the most complex.	It does <b>NOT</b> replace the need for counselors and/or college access staff to support students.

# What about Dual Enrollment?

- ▶ Dual Enrollment is a method that students can use to meet A-G requirements, but these courses cannot be verified against the CMP.
- ▶ DE will surface in Yellow as “Requires Review” to indicate to the student that **action is required** in their CSU and UC applications.
- ▶ It is by design that DE courses cannot be imported into the high school coursework section of Cal State Apply and the UC Application:
  - College courses must be entered into the College sections of both applications, which are programmed to recognize one semester of College coursework as fulfilling a full year of A-G.

Not a verified "a-g" course		Course listed as "a-g" by school, but not found in UC CMP database

# New Ed Code (Summer 2024)

The following subsections of code is a policy anchor, which establish CaliforniaColleges.edu as the future state infrastructure for the work outlined below:

- ▶ EDC § 48800(c) (c) A pupil shall receive credit for community college courses that the pupil completes at the level determined appropriate by the governing boards of the school district and community college district. Using available funding apportioned to the community college district pursuant to Section 84750.4, the governing board of the community college district shall report the pupil's completed courses and grades received through eTranscript California, also referred to as "eTranscriptCA," for purposes of enabling the uniform integration of the pupil's completed courses and grades received into the pupil's universal and electronic high school transcript that is housed on the **CaliforniaColleges.edu** platform

The implementation timeline for the code section above are not yet determined, but the opportunity and intent is clear.

# Data-Informed Decision Making

**View application submission statuses for all applications connected to CaliforniaColleges.edu – to all CCC, CSU and/or UC campuses and Financial Aid– updated nightly**

- ▶ The **“Download Only: College eligibility and application statuses”** report offers a single, downloadable file to help you identify students for intervention and/or opportunities:

Select Report: Applications Download Only: Current College Eligibility and Application Statuses Have a report question? Contact Us

Select Filters: 12 Run Report

- ▶ Filter this report in multiple ways to answer questions, such as:
  - Which students are a-g eligible, but have not applied?
  - Which students have applications in progress, but not yet submitted?
  - Which students have not applied to any segment?
  - Which students have applied to a specific campus?

#### How to Track Your Cal State Apply Application Status

In CaliforniaColleges.edu, you and your counselor can track your Cal State Apply application status and verify that it has been submitted.

START THE TUTORIAL

#### How to Launch Your UC Application

Applying to a UC can be an important step toward achieving your college and career goals. You can launch your application directly from CaliforniaColleges.edu.

START THE TUTORIAL

# Within a MTSS Framework

CaliforniaColleges.edu can be leveraged to support Tier 1 learning for all students, while increasing efficiency and ability for educators to strategically intervene with those who need support at Tier 2 and 3.

## Tier 3 – Intensive Interventions

Efficiencies at Tier 1 and 2, free time for educators to provide 1:1 support.

## Tier 2 – Targeted Interventions

Educator tools and reports on CaliforniaColleges.edu allow for targeted interventions with individuals or groups of students.

## Tier 1 – Universal Interventions

CaliforniaColleges.edu is the state's official college and career planning platform, designed for all 6th-12th grade students.

# Alignment to District Goals and Priorities

**Through strategic implementation, CaliforniaColleges.edu can support with:**

- ▶ Expanding career/college exploration and knowledge for all students.
- ▶ Increasing “a-g” completion for high school students.
- ▶ Reducing the burden on students when applying to college through CMP course alignment.
- ▶ Increasing college application support and completion for all students.
- ▶ Increasing CSU and UC application support and completion for CSU/UC-eligible students.
- ▶ Expanding awareness of financial aid and increasing financial aid completion.

**How do these align to your site/district goals, priorities or initiatives?**
