# California College Guidance Initiative

## Who We Are

- ▶ **Manager of CaliforniaColleges.edu**, the State of California's official college and career planning platform.
- ▶ A **legislatively-designated**, authorized service provider to all California school districts ([California Education Code 60900.5](#)).
- ▶ A crucial component of **California's Cradle-to-Career Data System**, as established by AB 132.

## Who We Are Not

- ▶ A vendor.
- ▶ A grant-funded program.

# Our Role in the Cradle-to-Career Data System

## CaliforniaColleges.edu is a crucial component of the C2C Data System.

AB 132 outlines specific steps in order to implement the Cradle-to-Career (C2C) Data System and realize its objectives, which include:

- ▶ Making CaliforniaColleges.edu tools and services **free to all California school districts serving 6-12th grade students**, with a goal of full participation by June 30, 2026.
- ▶ Designating CaliforniaColleges.edu as the **preferred starting point for all applications to California public colleges (CCC, CSU, UC), FAFSA, and CADAA.**

Visit the Cradle-to-Career Website

"It's on us to make it easy for students to navigate education and job choices.

The Cradle-to-Career system provides the data and support infrastructure that will make it possible for every California student to thrive."

— Governor Gavin Newsom

# College and Major Search Tools

**Our College and Major Search Tools** allow students to find what majors will help them achieve their career goals and what colleges best meet their needs.

Our **Major Search Tool** allows students to discover programs and majors that interest them, learn more about what they involve, and find colleges that offer them.

Our **College Search Tool** helps students find the best colleges in California and across the country, based on the factors that matter most to them.

The screenshot shows the 'Major Search Tool' interface. At the top, a dark header contains the title 'Major Search Tool' and a brief instruction: 'Use this tool to search for programs and majors that interest you. You can view a list of colleges that offer the program or major by clicking "View Colleges". To learn more about our major data, see [College, Major, and Career Data Sources](#).' Below the header is a search bar with a magnifying glass icon on the left, a text input field containing 'Search by Program', and a close 'X' icon on the right. Below the search bar, a light gray box contains the text: 'Enter two or more letters to begin looking up programs and majors.' Below this is a section labeled 'Results'. At the bottom of the interface is a dark footer. On the left is the California Colleges.edu logo. In the center are links for 'Contact us', 'Privacy Policy', and 'Terms of Use'. On the right are two logos: the 'California College Guidance Initiative' logo (managed by) and the 'maialearning' logo (powered by).

# Financial Aid Tools

Our **Financial Aid Tools** offer a sequence of lessons that can be used with students to learn about the cost of college and how financial aid can help to pay for it.

In Grade 12, the lessons help students prepare for FAFSA/CADAA, **launch their FAFSA or CADAA application**, and walks them through the steps to secure aid.

# CSU and UC Eligibility Tools for Students

Students in Partner Districts can use CSU and UC Eligibility Tools to continuously progress monitor their GPA and “a-g” eligibility.

The screenshot displays the Educator Dashboard on the California Colleges.edu website. The top navigation bar includes links for Educator Dashboard, College, Career, and Financial Aid. The main content area is titled "Academic Plan: CCC Demo" and provides instructions on tracking completed classes and planning for high school classes. Below this, there is a section for the Academic Planner, which includes tabs for My College Plan, My Career Plan, My Financial Aid Plan, My Goals, My Journal, My Experiences, and My Documents. The Academic Planner section explains that CSU uses three factors to determine eligibility: graduation from high school, completion of "a-g" courses, and grades achieved in a-g courses and test scores on college entrance exams. It also mentions that the Eligibility Tool includes completed and enrolled courses and measures progress towards meeting the "a-g" requirements for CSU. Below the Academic Planner, there are tabs for Academic Planner, California Community Colleges, CSU Eligibility, UC Eligibility, and CSU Application Info. The CSU Eligibility tab is currently selected, showing a CSU GPA of 3.35 and a progress indicator for "a-g" courses. The progress indicator shows that the user is missing 1 year of "a-g" courses and is not making progress towards completing recommended courses for their grade level in the following subject areas: B, D, E, F.

**CSU GPA**  
3.35  
You are currently meeting the minimum GPA requirement of 2.0 or above. Your CSU GPA reflects "a-g" coursework submitted by your school district completed in 10th, 11th, and 12th grades, including the summers following 9th, 10th, and 11th grades.  
Courses that have UC Honors Approved under the title

**Your "a-g" Progress for CSU**  
Based upon successful completion of coursework this term, for your grade level, you are missing the following number of years of "a-g" courses: 1  
You appear to not be making progress toward completing courses recommended for your grade level in the following subject areas: B, D, E, F

# Partnership With CCGI

**Partner Districts have a formal data-sharing agreement (MOU) with CCGI in order to bring their high school transcript data to CaliforniaColleges.edu.**

Unique features for Partner Districts include:

- ▶ **“a-g” Alignment Support** for districts to ensure that students get correct “a-g” credit for high school courses and grades in their college applications.
- ▶ **CSU and UC Eligibility Tools** that allow students to see their progress towards meeting the minimum requirements for admission to a CSU and UC.
- ▶ The ability to **import verified transcript data** to their Cal State Apply application and UC Application (beginning Fall 2024).

# A Partner District Example

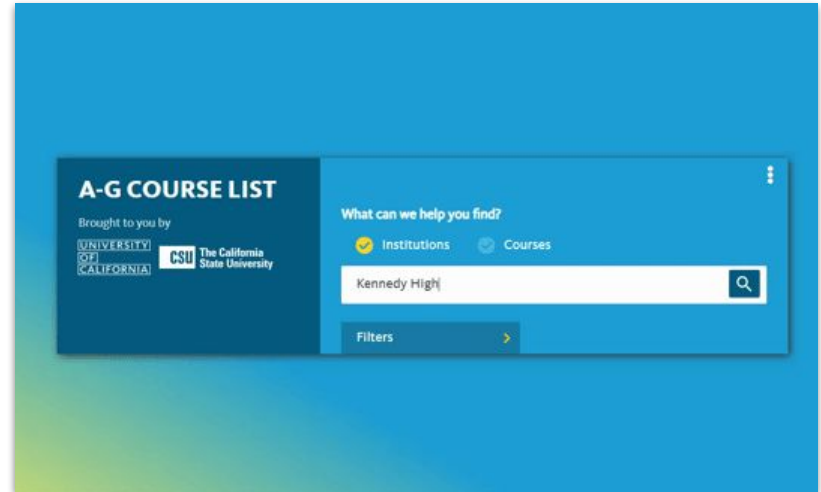

# “a-g” Alignment Support

**CaliforniaColleges.edu matches the course grade records provided by school districts against the Course Management Portal (CMP).**

- ▶ The CMP course list is what determines which courses fulfill an “a-g” subject area.
- ▶ CaliforniaColleges.edu uses the official CMP course list for each school to **verify the transcript data** shared by districts.
- ▶ CaliforniaColleges.edu helps educators identify and resolve issues with their CMP list that may impact eligibility for students:
  - CaliforniaColleges.edu Report: Which district courses are flagged as “a-g” but do not match against the CMP?

# CaliforniaColleges.edu Course Import to Cal State Apply

What It Does	What It Does NOT Do
<b>Saves time:</b> Can <u>significantly reduce</u> the time required to complete Cal State Apply applications.	It does <b>NOT</b> replace the need to review all course records for accuracy prior to Cal State Apply application submission.
<b>Reduces errors:</b> Verifies high school course records against the CMP and pre-populates that information into a Cal State Apply application.	
<b>Supports intentional review:</b> Allows counselors and college access staff to identify and focus time and energy on students records that are the most complex.	It does <b>NOT</b> replace the need for counselors and/or college access staff to support students.

# School-Level and District-Level Data

To view the status of all applications (CCC, CSU, and/or UC) connected to CaliforniaColleges.edu, use the following reports—updated nightly—located in the Educator Dashboard:

- ▶ Which students are eligible, but have not yet applied?
- ▶ Which students have applications in progress, but not yet submitted?
- ▶ What campuses have students applied to?
- ▶ Which students have not applied to any segment?

The screenshot shows the Educator Dashboard interface. At the top, there is a navigation bar with the California Colleges.edu logo, the text "Educator Dashboard", and links for "College", "Career", and "Financial Aid". On the right side of the navigation bar are icons for search, help, and user profile. Below the navigation bar, there is a section for "Select Report:" with a dropdown menu set to "Applications". To the right of this dropdown is a text input field containing the text "What are students' current college eligibility and application status?". A large red arrow points to this text input field. To the right of the text input field is a yellow speech bubble icon with a question mark. Below the "Select Report:" section, there is a "Select Filters:" section with a dropdown menu set to "12". To the right of the "Select Filters:" section is a blue button labeled "Run Report".
