Who We Are

- ▶ **Manager of CaliforniaColleges.edu**, the State of California's official college and career planning platform
- ▶ A **legislatively-designated**, authorized service provider to all California school districts ([California Education Code 60900.5](#))
- ▶ A crucial component of **California's Cradle-to-Career System**, as established by AB 132 and funded by Proposition 98

Who We Are Not

- ▶ A vendor
- ▶ A grant-funded program

What We Do

CaliforniaColleges.edu is free to all public school districts that serve 6th-12th grade students in California.

- ▶ **We provide college and career planning tools** to students and educators through CaliforniaColleges.edu.
- ▶ **We connect California systems**, including integrations with all three public higher education systems (**CCC, CSU, UC**) and the California Student Aid Commission (**CSAC**).
- ▶ **We partner with school districts** to bring high school students' transcript data to CaliforniaColleges.edu.

CALIFORNIA
COLLEGES.edu
DISCOVER. PLAN. LAUNCH.

CCGI Partner Districts

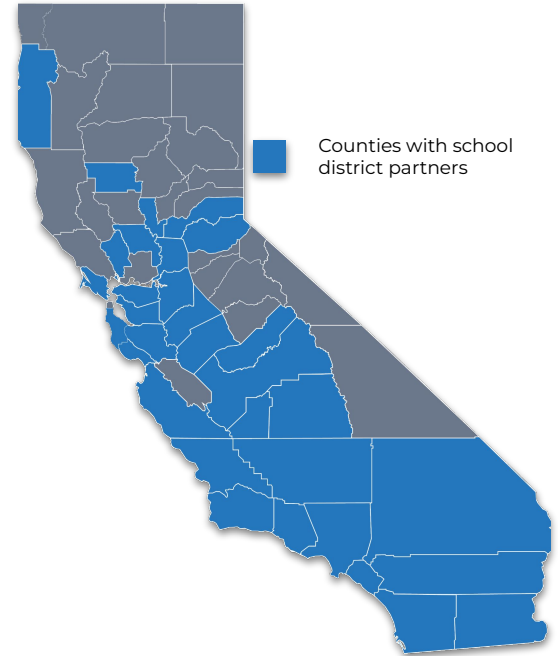

More than 50% of California's high school students are enrolled in a school district that has partnered with CCGI.

Our Partner Districts include about **200 school districts** that serve more than **1 million 9th-12th grade students** in California.

And each year, our partner list continues to grow!

CSU/UC Eligibility Tools

Students in partner districts can use CSU and UC eligibility tools to quickly track their progress toward meeting “a-g” requirements.

The screenshot shows the UC Eligibility Tool interface. At the top, there's a navigation bar with links: My Plan, College, Career, Financial Aid. Below this is a red banner with the text: COVID-19: Up-to-date information and resources for California students.

The main content area is divided into two columns. The left column displays the UC GPA as 3.11, with a green circle icon. Below this, it states: You are currently meeting the minimum GPA requirement of 3.0 or above. Your UC GPA reflects “a-g” coursework submitted by your school district completed in 10th and 11th grades, including the summers following 9th, 10th, and 11th grades. It also mentions that courses with UC Honors Approved under the title are approved as honors in the UC CMP database and that eligible courses receive an extra one point in the UC GPA calculation. A link to learn more about UC GPA guidelines is provided.

The right column shows the “a-g” Progress for UC, with a red target icon. It states: Based upon successful completion of coursework this term, for your grade level, you are missing the following number of years of “a-g” courses: 1. It also notes that the user appears not to be making good progress toward completing recommended courses and provides a link to plan to take the missing courses.

Below these sections is a “THINGS TO KNOW” section with a lightbulb icon. It explains that the UC Eligibility Tool helps track progress toward meeting eligibility for UC by listing required coursework on the far left and comparing it to completed and enrolled coursework. It also mentions that the tool can help plan for future courses. A note states that all coursework on the tool will be color-coded by each color representing something different, and users should study the legend carefully. A link to learn more about UC eligibility requirements is provided.

At the bottom, there's a legend for the color-coding: Verified “a-g” (green), Verified “a-g” (red), Not a verified “a-g” (grey), Course listed as “a-g” by school, but (yellow), Enrolled or (blue), and Submit a claim (purple).

Financial Aid Tools

Through **CaliforniaColleges.edu**, students can access tools that will help them learn about, plan for, and apply for financial aid.

The **financial aid tools** offer a sequence of lessons that can be used with students to learn about the cost of college and how financial aid can help to pay for it.

In Grade 12, the lessons help students prepare for FAFSA/CADAA, **launch their FAFSA or CADAA application**, and walks them through the steps to secure aid.

Curriculum and Lesson Plans

Each grade-level activity has an associated lesson plan that educators can use during instructional time and counseling interventions.

Our lessons are:

- Trackable.
- Sequential but flexible.
- Aligned to standards.

What Do I Like?: Interest Profiler (6.2)

Goal: Students will evaluate their personal interests and explore matching career options.

Lesson Time Options

This lesson requires one 45-60 minute class period.

Student Materials

This lesson plan is part of the default **Activities by Grade Level**. The corresponding student My Task for this lesson is called **What Do I Like?** For more information, click on **How do students download and upload documents to CaliforniaColleges.edu?** under **Assignments** in [Educator Help](#).

In This Packet

This packet includes everything you need to complete the lesson.

- Student Worksheet
- Educator Guide
- Appendix: Learning Extension

Standards

The literacy skills of Common Core can be broken down into sections – reading, writing, and speaking and listening (language skills are outside of the focus of CaliforniaColleges.edu). In the lesson, students will practice the following skills:

Common Core Skill	Practiced in this Lesson
Reading for Information	CCR – Reading 4, 7; Reading Information – 4, 7
Narrative Writing	CCR-Writing 3; Writing 3

CSU/UC Eligibility Tools

Students in partner districts can use CSU and UC eligibility tools to quickly track their progress toward meeting “a-g” requirements.

The screenshot shows the UC Eligibility Tools website. At the top, there is a navigation bar with links for "My Plan", "College", "Career", and "Financial Aid". Below this is a red banner with the text "COVID-19: Up-to-date information and resources for California students." The main content area is divided into several sections:

- UC GPA:** A green circle displays the GPA "3.11". Text below states: "You are currently meeting the minimum GPA requirement of 3.0 or above. Your UC GPA reflects 'a-g' coursework submitted by your school district completed in 10th and 11th grades, including the summers following 9th, 10th, and 11th grades. Courses that have UC Honors Approved under the title are approved as honors in the UC CMP database. Eligible courses receive an extra one point in the UC GPA calculation. Your UC GPA is based on UC guidelines. Learn more here. Transcript data most recently submitted on 09/16/2019."
- Your "a-g" Progress for UC:** A red target icon is shown. Text below states: "Based upon successful completion of coursework this term, for your grade level, you are missing the following number of years of 'a-g' courses: 1. You appear to not be making good progress toward completing courses recommended for your grade level in the following subject areas: D. Plan to take the courses you are missing and complete those courses with a C- or better to be eligible for UC."
- THINGS TO KNOW:** A lightbulb icon is shown. Text below explains: "The UC Eligibility Tool helps you track your progress toward meeting eligibility for UC by listing required coursework on the far left and comparing it to your completed and enrolled coursework. To ensure you stay on track, use this tool to also plan for future courses that are offered at your school and help satisfy UC requirements. All of your coursework on the Eligibility Tool will be color-coded with each color representing something different so be sure to study the legend below carefully. The University of California (UC) Course Management Portal (CMP) is a website where all your 'a-g' courses are tracked by both the CSU and UC. Your school district enters courses into UC CMP. If you see a course in yellow on your CSU and UC Eligibility Tools, this means your school has labeled the course as 'a-g', but it is not listed in UC CMP. Talk with your counselor to learn more when you see courses in yellow. To learn more about the UC eligibility requirements, see [Prepare to Meet Eligibility Requirements for UC](#)."

At the bottom, there is a legend for course status: "Verified 'a-g'" (green), "Verified 'a-g'" (red), "Not a verified 'a-g'" (grey), "Course listed as 'a-g' by school, but" (yellow), "Enrolled or" (blue), and "Subject area has" (orange).

Julian McDaniels

Assistant Principal, Vista Del Lago High School
Former Social Science & AVID teacher

CCGI Launch Day

- October 1st
- All students participate in CCGI Activities
- Lesson Plans, Presentations, and Worksheets provided to teachers
- Each department covers a different topic
 - Students receive 4-5 different lessons throughout the day
 - All centered on College and Career Readiness

A School Leader's Experience

- ▶ “Hughson High School has a Portfolio Project and Senior Exit Interview that has been a part of our district graduation requirements for the last couple decades.
- ▶ In 2019-2020, HHS transitioned from a paper ‘binder’ portfolio format to use of CaliforniaColleges.edu.
- ▶ The initial team built out the sequence of required grade-level activities CaliforniaColleges.edu for our staff and students.
- ▶ The portfolio requirement is embedded in the history classes with lessons throughout the school year. The middle school has a counselor who presents lessons to each class instead.
- ▶ Student progress is electronically stored and maintained from middle school through graduation in CaliforniaColleges.edu.”

Natalie Moring

Assistant Principal, Hughson High School

HHS Graduation Requirements

English	40 units
Mathematics - Math 1 (10) Additional Math (20)	30 units
Science - Biological Science (10) Physical Science (10) Additional Science (10)	30 units
Social Science - Geography (10) World History (10) US History (10) Economics (5) Government (5)	40 units
Fine Art or Modern Language	10 units
Fine Art of Modern Language or Practical Art	10 units
PE	20 units
Electives	20 units
Portfolio Project and Senior Exit Interview	See below

PORTFOLIO PROJECT AND SENIOR EXIT INTERVIEW REQUIREMENT

All students participate in our portfolio project. Students learn and practice communication skills, problem solving, and team building skills. They measure their own personal and academic growth over time, and catalog examples of their best work. All seniors will have their portfolio assessed and will participate in a required senior exit interview. In preparation for this interview, students will develop resumes, applications, practice job seeking skills and interviewing skills in addition to preparing the four year portfolio for review and evaluation.
