Planning for Student Account Registration

Below are key aspects needed when planning and developing a quality student account registration plan:

Message the why to all stakeholders

Troubleshooting process

Initial and ongoing plan

Educator Reporting

Provide resources and toolkits to all stakeholders

Troubleshooting Accounts

► Out-of-District Emails

- If a student first registered their account in another district, they may need to change their email in the platform.
- Reset the student's password and have them log in using old email. They can then edit their account to change to new email.

► Resetting Passwords

- Anyone with an educator account can assist students with a manual password reset
- Alternatively students can reset their password via email by clicking "reset password"

► If you do not see a student account check if they have been opted out

What is the Course Management Portal (CMP)?

The screenshot shows the Course Management Portal (CMP) interface. At the top, it displays 'Public 050973' and 'High School School District'. Below this, it says 'Course List Manager' and 'Website'. The main section is titled 'Filter Course List (Clear all)' and includes a search bar for 'Course title or transcript abbreviations' and a 'Show more filter options' button. Below the search bar, there are tabs for the years '2022-23', '2023-24', and '2024-25'. The main content area is a table with columns for 'Course', 'Discipline', and 'Learning Environment'. The table lists several courses, including 'History / Social Science' (2 years required), 'American Government', 'American Government A', 'AP African American Studies', 'AP European History', and 'AP Government and Politics United States'. Each course entry includes a dropdown arrow, the course name, the discipline, and the learning environment (Classroom-based).

CSU GPA

You might be able to attend a CSU. Your GPA is below 2.5, but some campuses may consider you eligible based on other factors. Visit each CSU's website to learn more.

Your CSU GPA is based on the grades you earn in all "a-g" courses you complete after 9th grade (including the summer before 10th grade). "UC Honors Approved" courses receive one extra point in the calculation.

Summary

Report Logic:

- This report includes 12th grade students who linked their CaliforniaColleges.edu and Cal State Apply accounts. Students can link their accounts by either launching Cal State Apply from within CaliforniaColleges.edu or linking their CaliforniaColleges.edu account from within Cal State Apply. Accounts can only be linked prior to application submission.
- Students do not have to transfer their coursework from CaliforniaColleges.edu to Cal State Apply in order to be included in this report.
- Students' application status is updated nightly and provided to CaliforniaColleges.edu by Cal State Apply.
 - If a student has an application status of either In Progress or Received, then the student is considered as having 'started' an application. In Progress status means that the student's application has not been submitted or they have not paid the application fee. Received status means that the student's application has been submitted and is currently being processed. Encourage your students to check their email regularly, as well as the Student Portal(s) for each CSU campus they applied to.
 - Complete status means that the student's application fee(s) or fee waiver has been successfully submitted and their application is complete. This is the application's final status. Encourage your students to check their email regularly, as well as the Student Portal(s) for each CSU campus they applied to.

	Total Number of Seniors	Percentage of Seniors

Summary

The California Student Aid Commission (CSAC) provides [CaliforniaColleges.edu](https://californiacolleges.edu) with a FAFSA/CADAA status if the student launched their application from CaliforniaColleges.edu and their account includes SSID. CSAC last provided this information on 07/09/2024.

- **Not Launched:** These students have not launched their FAFSA/CADAA applications from [CaliforniaColleges.edu](https://californiacolleges.edu).
- **Launched:** These students have launched their FAFSA/CADAA from [CaliforniaColleges.edu](https://californiacolleges.edu), but the submission is unverified because the student did not complete their application OR we have not received an update from CSAC.
- **Submitted:** These students have launched their FAFSA/CADAA from [CaliforniaColleges.edu](https://californiacolleges.edu) and CSAC says the application is being processed OR may be incomplete. If incomplete, the student will receive an email from the Department of Education asking them to make corrections. Also, if incomplete, the student's Student Aid Report (SAR) will not include a Student Aid Index (SAI) and will indicate unresolved issues.
- **Completed:** These students have launched their FAFSA/CADAA from [CaliforniaColleges.edu](https://californiacolleges.edu) and CSAC confirms the application is complete. A completed application has a calculated Student Aid Index (SAI) and can be used to determine Cal Grant eligibility if the GPA is matched.

Finding Educator Reports

- ▶ From your Reports Dashboard, select the report **category**.
- ▶ The reports we've discussed today are in the **Applications** category.

Manage Reports

Track your student's college and career readiness by running reports.

Quickly and easily obtain the aggregate data you need to better support your students on their path to being college and career ready. Select a report, choose your filters, and then, run report. View report summary and drill down on individual links with the summary for more details. Drill down even further, if you choose, by clicking on individual student names in the Student List tab and view their My Plans.

The screenshot shows the 'Manage Reports' interface. The 'Select Report:' section has a 'Select Category' dropdown menu open, showing options: Academic, Accounts, Applications, College, Career, Lessons, and My Plan Activities. A red box highlights this dropdown, and a red arrow points to it from the right. Below this is the 'Select Filters:' section with various dropdowns: Educator, Select Caseload, Select Ethnicity, Select Special Population, and Select Race. There are also input fields for 'Start Date: MM/DD/YYYY' and 'End Date: MM/DD/YYYY'. On the right, there's a 'Have a report question? Contact Us' link and a 'Run Report' button. Below the filters, it says 'Report: None' and 'Filters Selected:'. At the bottom right, there are links for 'Download XLSX' and 'Download CSV'.
