Summary

Report Logic:

- This report includes 12th grade students who linked their CaliforniaColleges.edu and Cal State Apply accounts. Students can link their accounts by either launching Cal State Apply from within CaliforniaColleges.edu or linking their CaliforniaColleges.edu account from within Cal State Apply. Accounts can only be linked prior to application submission.
- Students do not have to transfer their coursework from CaliforniaColleges.edu to Cal State Apply in order to be included in this report.
- Students' application status is updated nightly and provided to CaliforniaColleges.edu by Cal State Apply.
  - If a student has an application status of either In Progress or Received, then the student is considered as having 'started' an application. In Progress status means that the student's application has not been submitted or they have not paid the application fee. Received status means that the student's application has been submitted and is currently being processed. Encourage your students to check their email regularly, as well as the Student Portal(s) for each CSU campus they applied to.
  - Complete status means that the student's application fee(s) or fee waiver has been successfully submitted and their application is complete. This is the application's final status. Encourage your students to check their email regularly, as well as the Student Portal(s) for each CSU campus they applied to.

	Total Number of Seniors	Percentage of Seniors
Seniors who have not started any CSU applications	82	83%
Seniors who have started at least one CSU application but have not completed any applications		16%
Seniors who have completed at least one CSU application		1%
Unregistered		0%
Total	99	100%
