

# INTRODUCING CALIFORNIACOLLEGES.EDU

The State of California's Official College and Career Planning Platform

## DID YOU KNOW...

6th-12th grade students, their parents, and educators in your district have access to the State of California's official college and career planning tools, for **FREE** and all in one place?

In addition, as one of our Partner Districts, your students and educators get access to special tools on the platform that utilize student transcript data, such as the CSU and UC Eligibility Tools.

**CALIFORNIA  
COLLEGES.edu**  
DISCOVER. PLAN. LAUNCH.

## THE TOOLS

What can students do on  
CaliforniaColleges.edu?

Track "A-G"  
completion and  
determine their  
eligibility for  
admission to the  
CSU and UC at a  
glance

Launch and track  
applications to the  
CCC, CSU, UC,  
FAFSA, and  
California Dream  
Act all in one  
place

Import coursework  
directly into their  
Cal State Apply and  
UC Application\*

\* UC Application course import  
will be available in Fall 2024

## HOW TO GET STARTED

Learn more about how to use the tools on CaliforniaColleges.edu at [californiacolleges.edu/resourcehub/](https://californiacolleges.edu/resourcehub/)

Promote CaliforniaColleges.edu and its benefits to students and educators during college application season

Encourage students and educators to register their account on [californiacolleges.edu](https://californiacolleges.edu) and use the tools to apply to college!

## ABOUT THE PARTNERS

As part of the state's network of student-serving systems, the California Department of Education (CDE), California Cradle-to-Career Data System (C2C), California Community Colleges (CCC), California State University (CSU), University of California (UC), and California Student Aid Commission (CSAC) are committed to ensuring that students gain awareness and access to tools and resources they need to pursue higher education.
