INTRODUCING CALIFORNIACOLLEGES.EDU

The State of California's Official College and Career Planning Platform

DID YOU KNOW...

6th-12th grade students, their parents, and educators in your district have access to the State of California's official college and career planning tools, for **FREE** and **all in one place**?

In addition, as one of our Partner Districts, your students and educators get access to special tools on the platform that utilize student transcript data, such as the CSU and UC Eligibility Tools.

CALIFORNIA COLLEGES .edu
DISCOVER. PLAN. LAUNCH.

THE TOOLS

What can students do on CaliforniaColleges.edu?

Track "A-G" completion and determine their eligibility for admission to the CSU and UC at a glance

Launch and track applications to the CCC, CSU, UC, FAFSA, and California Dream Act all in one place

Import coursework directly into their Cal State Apply and UC Application*

* UC Application course import will be available in Fall 2024

HOW TO GET STARTED

🌐 Learn more about how to use the tools on CaliforniaColleges.edu at **californiacolleges.edu/resourcehub/**

📣 Promote CaliforniaColleges.edu and its benefits to students and educators during college application season

👤 Encourage students and educators to register their account on **californiacolleges.edu** and use the tools to apply to college!

ABOUT THE PARTNERS

As part of the state's network of student-serving systems, the California Department of Education (CDE), California Cradle-to-Career Data System (C2C), California Community Colleges (CCC), California State University (CSU), University of California (UC), and California Student Aid Commission (CSAC) are committed to ensuring that students gain awareness and access to tools and resources they need to pursue higher education.
