California College Guidance Initiative

Who We Are

- ▶ **Manager of CaliforniaColleges.edu**, the State of California's official college and career planning platform.
- ▶ **AB 132 legislatively-designated**, authorized service provider to all California school districts ([California Education Code 60900.5](#)).
 - In addition, to fulfill CCGI's statutory requirements, SB 153 was signed by the Governor.
- ▶ A crucial component of **California's C2C Data System**, as established by AB 132.

Who We Are Not

- ▶ A vendor.
- ▶ A grant-funded program.

CALIFORNIA
COLLEGES.edu
DISCOVER. PLAN. LAUNCH.

Our Role in the Cradle-to-Career Data System

CaliforniaColleges.edu is a crucial component of the C2C Data System.

AB 132 outlines specific steps in order to implement the Cradle-to-Career (C2C) Data System and realize its objectives, which include:

- ▶ Making CaliforniaColleges.edu tools and services **free to all California school districts serving 6-12th grade students**, with a goal of full participation by June 30, 2026.
- ▶ Designating CaliforniaColleges.edu as the **preferred starting point for all applications to California public colleges (CCC, CSU, UC), FAFSA, and CADAA.**

Visit the Cradle-to-Career Website

"It's on us to make it easy for students to navigate education and job choices."

The Cradle-to-Career system provides the data and support infrastructure that will make it possible for every California student to thrive."

— Governor Gavin Newsom

CCGI Partner Districts

More than 70% of California's high school students are enrolled in a school district that has partnered with CCGI.

Our Partner Districts include more than **250 school districts** and serve more than **1.3 million 9th-12th grade students** in California.

And each year, our Partner list continues to grow!

What is CaliforniaColleges.edu?

CALIFORNIA
COLLEGES.edu
DISCOVER. PLAN. LAUNCH.

The Tools on CaliforniaColleges.edu

The State of California's official college and career planning platform

We provide students with:

Career Exploration

College and Major Search

CSU and UC Eligibility Tools

Financial Aid Lessons

College and Financial Aid
Application Integrations

We provide educators with:

Data Alignment Support

A-G Progress Monitoring

College and Financial Aid
Application Tracking

Reporting Tools
to Support Timely and
Intentional Intervention

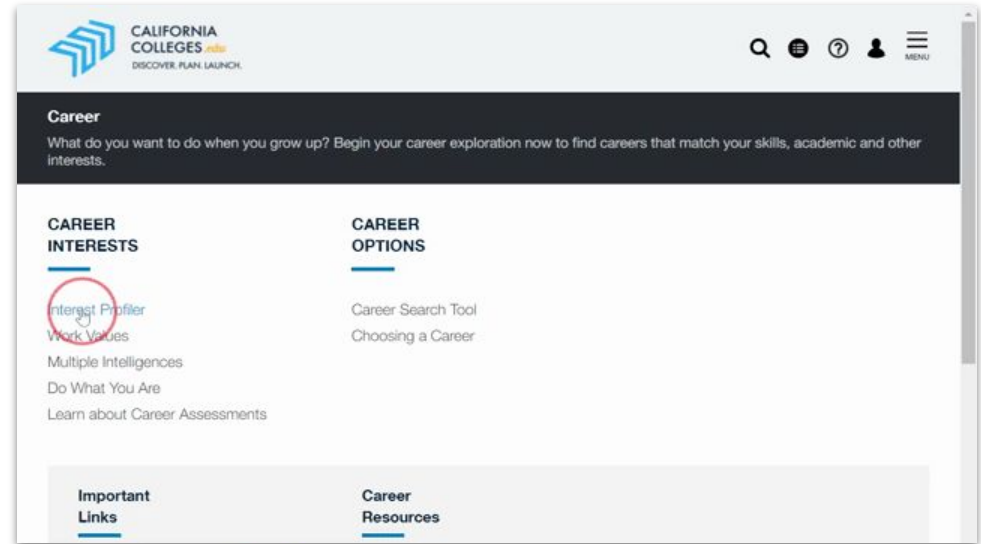

Career Assessments

Our Career Assessments can help students identify their values, interests, learning styles, and personalities and learn how they can connect to fulfilling careers.

Our assessments include:

- ▶ Interest Profiler (All Students)
- ▶ Learning & Productivity (Middle School Students)
- ▶ Intelligences (High School Students)
- ▶ Personality (High School Students)
- ▶ Skills (High School Students)
- ▶ Work Values Survey (High School Students)

Career Exploration

Our Career Search Tool helps students find the right career path by figuring out what they want to be and what it will take for them to get there.

CaliforniaColleges.edu allows students to:

- ▶ Explore careers that match their interests.
- ▶ See what kind of pay and growth potential jobs offer.
- ▶ Tie career assessment results to career pathways, majors, and colleges.
- ▶ Understand what education and skills they will need to pursue their career of choice.

The screenshot shows the 'Career Search Tool' interface. At the top, a dark header contains the title 'Career Search Tool' and a brief description: 'Explore careers that match your interests. Find careers by using the keyword search or the Industry and Bright Outlook filters. To learn more about our career data, see [College, Major, and Career Data Sources](#).' Below the header, there are three search sections. The first section has a text input field with 'Scientist' and a blue 'Search' button. The second section has a dropdown menu labeled 'Select Industry' and a blue 'Search' button. The third section has a dropdown menu labeled 'Select Bright Outlook Occupation' and a blue 'Search' button. At the bottom left, it says 'Results 179' with a scroll bar. At the bottom right, there is a dark button labeled 'Compare' and a small 'Compare' link with an information icon on the left.

CALIFORNIA
COLLEGES.edu
DISCOVER. PLAN. LAUNCH.

College and Major Search Tools

Our College and Major Search Tools allow students to find what majors will help them achieve their career goals and what colleges best meet their needs.

Our **Major Search Tool** allows students to discover programs and majors that interest them, learn more about what they involve, and find colleges that offer them.

Our **College Search Tool** helps students find the best colleges in California and across the country, based on the factors that matter most to them.

The screenshot shows the 'Major Search Tool' interface. At the top, it says 'Major Search Tool' and provides instructions: 'Use this tool to search for programs and majors that interest you. You can view a list of colleges that offer the program or major by clicking "View Colleges". To learn more about our major data, see [College, Major, and Career Data Sources](#).' Below this is a search bar with a magnifying glass icon on the left and an 'X' icon on the right. The text inside the search bar is 'Search by Program'. Below the search bar, it says 'Enter two or more letters to begin looking up programs and majors.' Below the search bar is a section labeled 'Results'. At the bottom of the interface, there are links for 'Contact us', 'Privacy Policy', and 'Terms of Use'. The footer includes the California Colleges.edu logo, the California State Seal, and logos for 'Managed by California College Guidance Initiative' and 'Powered by maialearning'.

California Community Colleges

Students in Partner Districts see a list of the 5 CCCs closest to their school, with easy links to learn more about each campus and transfer options.

[Academic Planner](#) **CCCs** [CSU Eligibility](#) [UC Eligibility](#) [CSU Application Info](#) [UC Application Info](#) 

There are lots of great reasons to attend a California Community College (CCC). A CCC may be the best fit for you if:

- You need an **associate degree or certificate** for the career you want.
- You want to **start your career sooner**. Associate degree programs usually take two years. Certificate programs take even less time.
- You want to **prepare to transfer** to a four-year college.
- You want to **spend less money** on college tuition. CCCs have the lowest fees in the nation.
- You want to **stay close to home**. With 115 campuses across California, there is probably a CCC close to you.
- You need **flexible classes** in the evening, on weekends, or online so you can fit college into your life.
- You want to **get a head start on earning college credit** while you're still in high school.

Requirements

To attend a CCC, all you have to do is fill out an application and pay any required fees. You don't have to complete A-G requirements or take any special classes.

Learn more about the [Benefits of California Community Colleges](#).

Transfer Options

You can start at a CCC and transfer to a CSU, UC, or independent college after two years. Complete one of the programs below at your CCC to secure your spot.

- The [Associate Degree for Transfer \(ADT\)](#) guarantees you a spot at a CSU or an independent college.
- The [Transfer Admission Guarantee \(TAG\)](#) program guarantees you a spot at one of six UCs.

Five Closest CCCs to Your School

Sacramento City College	2.15 miles
Cosumnes River College	9.14 miles
American River College	9.65 miles
Woodland Community College	14.26 miles
Folsom Lake College	20.9 miles

[View All CCCs](#)

How to Apply

Nearly all CCCs use CCCApply for online applications. When you're ready, learn how to [launch CCCApply from your CaliforniaColleges.edu account](#).

CSU and UC Eligibility Tools for Students

Students in Partner Districts can use CSU and UC Eligibility Tools to continuously progress monitor their GPA and “a-g” eligibility.

The screenshot displays the California Colleges.edu Educator Dashboard. At the top, the navigation bar includes the logo, the text "Educator Dashboard College Career Financial Aid", and search, help, and user icons. Below this is a section titled "Academic Plan: CCC Demo" with a sub-header "Keep track of your completed classes, grades earned, and also plan for high school classes using your Academic Plan." A horizontal menu contains links: "Academic Planner" (active), "My College Plan", "My Career Plan", "My Financial Aid Plan", "My Goals", "My Journal", "My Experiences", and "My Documents". A paragraph explains that CSU uses three factors to determine eligibility: graduation from high school, completion of "a-g" courses, and grades achieved in a-g courses and test scores on college entrance exams. Below this is another horizontal menu with links: "Academic Planner", "California Community Colleges", "CSU Eligibility" (active), "UC Eligibility", and "CSU Application Info", followed by a "Back to Academic Planner" button. The main content area is divided into two panels. The left panel, titled "CSU GPA", shows a large green circle with the number "3.35" and text stating that the user is currently meeting the minimum GPA requirement of 2.0 or above, with their CSU GPA reflecting "a-g" coursework submitted by their school district completed in 10th, 11th, and 12th grades, including the summers following 9th, 10th, and 11th grades. It also mentions that courses with UC Honors Approved under the title are included. The right panel, titled "Your 'a-g' Progress for CSU", features a red target icon and text stating that based upon successful completion of coursework this term, for their grade level, they are missing the following number of years of "a-g" courses: 1. It also notes that they appear to not be making progress toward completing courses recommended for their grade level in the following subject areas: B, D, E, F.

Transcript-informed accounts on CaliforniaColleges.edu

CALIFORNIA
COLLEGES *.edu*

The Official College & Career Planning
Platform of the State of California

Partnership With CCGI

Partner Districts have a formal data-sharing agreement (MOU) with CCGI in order to bring their high school transcript data to CaliforniaColleges.edu.

Unique features for Partner Districts include:

- ▶ **A-G Alignment Support** for districts to ensure that students get correct “a-g” credit for high school courses and grades in their college applications.
- ▶ **CSU and UC Eligibility Tools** that allow students to see their progress towards meeting the minimum requirements for admission to a CSU and UC.
- ▶ The ability to **import verified transcript data** to their Cal State Apply application and UC Application (beginning Fall 2024).

The Course Management Portal

The Course Management Portal (CMP) is where all California districts and/or their schools manage their public-facing “A-G Course List”

- ▶ Every school that serves high school students in California needs to submit courses to the CMP for review and approval by UC, if that course is to appear on the school’s A-G Course List.
- ▶ The CMP course list is what determines which courses fulfill an “A-G” subject area for the purpose of CSU and UC admissions processes

What is A-G Misalignment?

A-G mismatch occurs when the way a course is listed in a district's Student Information System (SIS) doesn't align with the way it is listed in the CMP.

CAL STATE APPLY

UNIVERSITY
OF
CALIFORNIA

What A-G Misalignment Looks Like

CMP Misalignment inhibits successful electronic data transmission and may prevent CSU and UC campuses from recognizing A-G approved coursework.

In SIS	In CMP
Transcript Abbreviation: Wrld Hist Local Course Code: 30125	Transcript Abbreviation: World History Local Course Code: [None Listed]

A-G Alignment Support

CCGI provides technical assistance help LEAs ensure that courses indicated as fulfilling A-G requirements match the Course Management Portal

- ▶ California Education Code 60900(g) requires that LEAs maintain at least a 90% rate of alignment between A-G coursework, as listed in the local SIS, and how those courses are registered in the UC Course Management Portal A-G course list.
- ▶ CCGI has a dedicated Technical Assistance team to support districts in improving their CMP match rate
- ▶ CaliforniaColleges.edu reporting features help educators identify and resolve issues with their CMP list that may impact eligibility for students:
 - Academic Report: **Which district courses are flagged as “A-G” but do not match against the CMP?**

Verifying Courses Against the CMP

CaliforniaColleges.edu matches the course grade records provided by school districts against the school's A-G list in the Course Management Portal (CMP).

- ▶ CaliforniaColleges.edu uses the official CMP course list for each school to **verify the transcript data** shared by districts.
- ▶ Verification of data provided from the SIS against the CMP informs how coursework visualizes for students in the CSU and UC eligibility tools, as well how and which courses students can import directly into their CSU and UC applications.

Cal State Apply Course Import

CALIFORNIA
COLLEGES.edu
DISCOVER. PLAN. LAUNCH.

CaliforniaColleges.edu Course Import

What It Does	What It Does NOT Do
Saves time: Can <u>significantly reduce</u> the time required to complete Cal State Apply applications.	It does NOT replace the need to review all course records for accuracy prior to Cal State Apply application submission.
Reduces errors: Verifies high school course records against the CMP and pre-populates that information into a Cal State Apply application.	
Supports intentional review: Allows counselors and college access staff to identify and focus time and energy on students records that are the most complex.	It does NOT replace the need for counselors and/or college access staff to support students.

School-Level and District-Level Data

View application submission statuses for all applications connected to CaliforniaColleges.edu – to all CCC, CSU and/or UC campuses and Financial Aid– updated nightly

- ▶ The **“Download Only: College eligibility and application statuses”** report offers a single, downloadable file to help you identify students for intervention and/or opportunities:

Select Report: Applications Download Only: Current College Eligibility and Application Statuses Have a report question? Contact Us

Select Filters: 12 Run Report

- ▶ Filter this report in multiple ways to answer questions, such as:
 - Which students are a-g eligible, but have not applied?
 - Which students have applications in progress, but not yet submitted?
 - Which students have not applied to any segment?
 - Which students have applied to a specific campus?

A Partner District Example

Within a MTSS Framework

CaliforniaColleges.edu can be leveraged to support Tier 1 learning for all students, while increasing efficiency and ability for educators to strategically intervene with those who need support at Tier 2 and 3.

Tier 3 – Intensive Interventions

Efficiencies at Tier 1 and 2, free time for educators to provide 1:1 support.

Tier 2 – Targeted Interventions

Educator tools and reports on CaliforniaColleges.edu allow for targeted interventions with individuals or groups of students.

Tier 1 – Universal Interventions

CaliforniaColleges.edu is the state's official college and career planning platform, designed for all 6th-12th grade students.

CALIFORNIA

Alignment to District Goals and Priorities

Through strategic implementation, CaliforniaColleges.edu can support with:

- ▶ Expanding career/college exploration and knowledge for all students.
- ▶ Increasing “a-g” completion for high school students.
- ▶ Reducing the burden on students when applying to college through CMP course alignment.
- ▶ Increasing college application support and completion for all students.
- ▶ Increasing CSU and UC application support and completion for CSU/UC-eligible students.
- ▶ Expanding awareness of financial aid and increasing financial aid completion.

How do these align to your site/district goals, priorities or initiatives?
