The California Standards

"The revised California School Counseling Standards is a powerful framework that centers the role of school counselors in advancing equity for all students."

- Tessa Carmen De Roy, president
The California College Guidance Initiative

Standard 4: Multi-tiered Systems of Support

The image shows the front cover of a book titled 'THE CALIFORNIA STANDARDS FOR THE SCHOOL COUNSELING PROFESSION'. The cover has a dark blue header with the title in white. Below the header is a large white area with a large grey number '4' on the left. To the right of the '4' is the text 'STANDARD FOUR' and 'MULTI-TIERED SYSTEMS OF SUPPORT'. Below this is a paragraph: 'Implements a tiered approach to intervention and assistance to address the diverse needs of students through a Multi-Tiered System of Support.' On the right side of the cover, there is a vertical yellow bar with the text 'The Standards: Standard Four' written vertically. The top of the cover has a yellow and grey horizontal bar.

THE CALIFORNIA STANDARDS
FOR THE SCHOOL COUNSELING PROFESSION

4

STANDARD FOUR
MULTI-TIERED SYSTEMS OF SUPPORT

Implements a tiered approach to intervention and assistance to address the diverse needs of students through a Multi-Tiered System of Support.

The Standards: Standard Four

Today's Focus: Element 4A and 4B

ELEMENT 4A: CA MTSS FRAMEWORK

Effective school counselors design and deliver programs and services aligned with the California MTSS framework.

ELEMENT 4B: DATA INFORMED DECISION MAKING

Effective school counselors utilize data to inform decision-making and drive improvements in student outcomes.

Within a MTSS Framework

CaliforniaColleges.edu can be leveraged to support Tier-1 learning for all students, while increasing efficiency and ability for educators to strategically intervene with those who need support at Tier 2 and 3.

Tier 3 – Intensive Interventions

Efficiencies at Tier 1 and 2, free time for educators to provide 1:1 support.

Tier 2 – Targeted Interventions

Educator tools and reports on CaliforniaColleges.edu allow for targeted interventions with individuals or groups of students.

Tier 1 – Universal Interventions

CaliforniaColleges.edu is the state's official college and career planning platform, designed for all 6th-12th grade students.

Tier 1: Developing Career, College & Financial Aid Knowledge for ALL students

Connecting Career to Postsecondary

Career Assessment

Students take Interest Profiler, Learning & Productivity, Work Values, Intelligences, Personality, and/or Skills assessment(s).

Career Exploration

Based on assessment results, students click on matching careers, go to corresponding fact sheets, and use Career Search.

Major Exploration

Based on career interests, students explore programs and majors that interest them & learn more about what they involve.

College Exploration

Based on major exploration and using College Search, students find colleges that match their needs.

Provide more than one opportunity to take Career Assessments. (i.e. 7th, 9th & 11th)

Students favorite careers they like. Connect careers to career pathways.

Connect majors to careers and courses in high school to prepare

Ensuring student's Academic Planners match their desired career, college and major choices

There are lots of great reasons to attend a California Community College (CCC). A CCC may be the best fit for you if:

- You need an **associate degree or certificate** for the career you want.
- You want to **start your career sooner**. Associate degree programs usually take two years. Certificate programs take even less time.
- You want to **prepare to transfer** to a four-year college.
- You want to **spend less money** on college tuition. CCCs have the lowest fees in the nation.
- You want to **stay close to home**. With 115 campuses across California, there is probably a CCC close to you.
- You need **flexible classes** in the evening, on weekends, or online so you can fit college into your life.
- You want to **get a head start on earning college credit** while you're still in high school.

Requirements

To attend a CCC, all you have to do is fill out an application and pay any required fees. You don't have to complete A-G requirements or take any special classes.

Learn more about the [Benefits of California Community Colleges](#).

Transfer Options

You can start at a CCC and transfer to a CSU, UC, or independent college after two years. Complete one of the programs below at your CCC to secure your spot.

- The [Associate Degree for Transfer \(ADT\)](#) guarantees you a spot at a CSU or an independent college.
- The [Transfer Admission Guarantee \(TAG\)](#) program guarantees you a spot at one of six UCs.

CSU and UC Eligibility Tools for Students

Students in Partner Districts can use CSU and UC Eligibility Tools to continuously progress monitor their GPA and A-G eligibility.

The screenshot displays the California Colleges.edu Educator Dashboard. At the top, the navigation bar includes the logo, the text "Educator Dashboard College Career Financial Aid", and search, help, and user icons. Below this, a section titled "Academic Plan: CCC Demo" explains its purpose: "Keep track of your completed classes, grades earned, and also plan for high school classes using your Academic Plan." A horizontal menu contains links for "Academic Planner", "My College Plan", "My Career Plan", "My Financial Aid Plan", "My Goals", "My Journal", "My Experiences", and "My Documents". The "Academic Planner" link is active. Below the menu, a paragraph states: "CSU uses three factors to determine eligibility – graduation from high school, completion of 'a-g' courses, as well as grades achieved in a-g courses and test scores on college entrance exams. The Eligibility Tool below includes your completed and enrolled courses (uploaded by your school district) and measures your progress towards meeting the 'a-g' requirements for CSU." A secondary menu shows "Academic Planner", "California Community Colleges", "CSU Eligibility" (which is highlighted), "UC Eligibility", and "CSU Application Info", with a "Back to Academic Planner" button. The main content area is divided into two panels. The left panel, titled "CSU GPA", features a large green circle with the number "3.35" and text stating: "You are currently meeting the minimum GPA requirement of 2.0 or above. Your CSU GPA reflects 'a-g' coursework submitted by your school district completed in 10th, 11th, and 12th grades, including the summers following 9th, 10th, and 11th grades. Courses that have UC Honors Approved under the title". The right panel, titled "Your 'a-g' Progress for CSU", features a red target icon and text stating: "Based upon successful completion of coursework this term, for your grade level, you are missing the following number of years of 'a-g' courses: 1. You appear to not be making progress toward completing courses recommended for your grade level in the following subject areas: B, D, E, F".

The CSU and UC Eligibility Tools

These tools help students understand subject area fulfillment and which of their courses **can be verified** against a school's official A-G List from the UC Course Management Portal (CMP).

Targeted Interventions

Reporting features allow educators to take intentional action to support targeted groups of students.

For example, reports can help identify:

- ▶ Students who have not explored career options
- ▶ Students off-track for CSU or UC Eligibility
- ▶ Seniors who have not launched FAFSA or CADAA
- ▶ Seniors who have not applied to any CCC, CSU, or UC
- ▶ Students who are CSU-eligible or UC-eligible, but have not applied
- ▶ Reports can be disaggregated or filtered to identify priority student groups, such as:
 - African American students
 - Latino male students
 - Foster or homeless youth students

The **College and Career Reports** support educators in using data to plan and implement intentional college and career experiences for their students.

Leverage Educator Reports

Host Targeted Career Events:

Plan in-person or virtual career days, work based learning, field trips, and volunteer opportunities

Prepare Intentional College Opportunities:

Plan campus visits, college fairs, college workshops, and family nights

Coordinate Activities Based on Top Majors:

Identify top majors and recruit college speakers to talk about different programs

The **Application Reports** support educators in making data-informed decisions about which students may benefit from targeted supports to complete their CCC, CSU, UC, FAFSA or CADAA applications.

Data-Informed Decision Making

District educators can view application statuses to all CCC, CSU, and/or UC campuses – updated nightly - and Financial Aid application status .

Building Efficiencies

When work at Tier 1 and Tier 2 is more efficient, School Counselors have more time to provide individualized interventions at Tier 3.

1:1 Support

CaliforniaColleges.edu tools can be leveraged within the individualized support that is provided to students who need it the most.

Examples:

- ▶ Utilizing the Career Assessments and Career Exploration Tools to help inform the Individualized Transition Plan (ITP) for a student with special education services
- ▶ Supporting an undocumented student to learn about their eligibility for the CADAA and the steps in the application process
- ▶ Leveraging the Accessibility Menu to ensure that a student who requires a screen reader or language translation is able to access the information about college, career, and financial aid options and eligibility
- ▶ Helping a Foster Youth to complete their CSU and/or UC application
