

CALIFORNIACOLLEGES.EDU

The State of California's Official College and Career Planning Platform

Did You Know... 6th-12th grade students, their parents and educators have access to the State of California's official college and career planning tools, for **FREE** and **all in one place**?

The Tools

What can students do on CaliforniaColleges.edu?

- Explore their values, skills, and career interests through various Career Assessments and College, Major, and Career Search Tools
- Track A-G completion and determine their eligibility for admission to the UC and CSU, at a glance
- Launch and track applications to the CCC, CSU, UC, FAFSA, and California Dream Act Application, all in one place
- Import courses and grades directly into their Cal State Apply and/or UC Application(s)

How to Get Started

In Summer 2024, California Education Code 60900 was updated to require all California public local educational agencies serving 9th-12th graders to enter into a data-sharing agreement with the California College Guidance Initiative by January 2026 to provide transcript-informed Partner Accounts on CaliforniaColleges.edu by June 2026. To get this process started for your school district:

Learn more about the tools on CaliforniaColleges.edu by visiting californiacolleges.edu/learnmore/

Contact us to set up a demo of the platform and our tools for your district by visiting californiacolleges.edu/#/contact-us

Submit an Intent to Partner form to begin the partnership process!

About Our Partners

As part of the state's network of student-serving systems, the California Department of Education (CDE), California Cradle-to-Career Data System (C2C), California Community Colleges (CCC), California State University (CSU), University of California (UC), and California Student Aid Commission (CSAC) are committed to ensuring that students gain awareness and access to tools and resources they need to pursue higher education.
